Johanna Mason of District 7 is the victor of the 71st Hunger Games. She won these Games by acting weak, then killing viciously, and the people that she cared about were later killed by President Coriolanus Snow after she refused to sell her body to Capitol citizens. Four years after her triumph, Johanna was the only living female victor from her district, and thus was reaped for the third ...

This is the strength of Collins’ work - she doesn’t tie her work to any political camp or alliance. As Robert Thompson, a professor of media and popular culture at Syracuse University states: ‘The Hunger Games’ has this feeling of being contemporary and political but without being really clear what its politics are”. Collins doesn’t give a political solution because it is ...

Holy moly that was some viking-inspired madness. The vaesen, the trolls, the shields, the louse-ridden beards! What an amazing tale. I love this world like Svik loves cheese. You guys are in for a treat. I love this book more than words can say and I absolutely love the world in which the Bloodsworn live and thrive.
